In an effort to expedite the Capii process and in conjunction with the courts, we are requesting that you or a representative of your firm be present in court at the appropriate time as indicated below. Please note that it is our practice to have our Deputy Sheriff **arrive ½ hour** prior to the set court time in order for defendants to complete financial statements, reach agreements and/or hold hearings, if necessary. This process will avert potential **walk-outs**, alleviate much of the conflict between parties and provide a great service to the Clerk's offices. Your cooperation and assistance are greatly appreciated.

Below is a listing of courts that hold weekly Capii hearings. If you have any questions or concerns, please contact our office. We look forward to continuing our ongoing working relationship.
